

Inter-Institutional Agreement 2023/24 – 2027/28

They commit to respect the quality requirements of the Erasmus Charter for Higher Education in all aspects related to the organisation and management of the mobility with the supplement that SEMP promotes both, outgoing mobility to programme destinations as well as incoming mobility from these countries to Switzerland, financially. Should the current status of Switzerland or of the respective partner change with regard to Erasmus+/follow-up programme, the regulations will be adjusted and partners informed in due time.
