ON PROMOTION OF LOCAL
RESOURCES**

October, 14-16

Loulé

Portugal

Introduction

II Luso-Brazilian Seminar of Environmental and Business Sciences and I International Seminar on Promotion of Local Resources, will be held at *Dom Afonso III* University, from 14th until 16th October, 2011.

The seminar is organized in partnership between DOM AFONSO III University (INUAF/Portugal) and LINS University (UNILINS/Brazil).

Aims: to promote the knowledge and the academic discussion on the issues, through oral presentations and debates.

In this meeting is included a presentation session of the European project, PROFORBIOMED, in which the CICAIE is Portuguese national coordinator. This project promotes renewable energy in rural areas by developing an integrated strategy for the use of forest biomass, improved environmental management systems and developing new business

Scientific Sessions

Tourism and Sustainable Development

Innovation and Sustainability

Environmental Technologies

Environmental Conservation and Recovery
